Putting Contests

Bring out everyone’s competitive spirit.

Putting Courses
Everyone loves a putting challenge, and yours will be something special. We can create a miniature golf course for guests to play at your event. We have a variety of green sizes available to create up to a 9-hole course, and various types of props and designs to customize the experience for your guests.

Modular Mini-Putt Greens: Range from 4’x10’ to 12’x12’

Mechanical Putting Green
Make it an event to remember with a putting contest on our mechanically adjustable putting greens. With 72 different holes, there are no shortage of challenges for your guests. Professional and amateur settings are available to accommodate all skill levels. We can suggest various contests to make it fun for everyone. We will provide golf balls and putters for each guest to choose from, and a GOLFTEC Certified Personal Coach™ to facilitate the experience and provide their expertise.

About GOLFTEC
